Descriptions

Description	REFLEX PREMIUM T-5 WIRE STRIPPER
Features	Invented and manufactured at our Sycamore, Illinois facility, the T-Stripper Wire Stripper line is the leading brand name in the world. Designed for total comfort and wire stripping; the stripper features a Thumb-Valley thumb guide that offers comfort and focuses on kinetic energy for faster stripping. The textured non-slip grips helps in reducing stress on the hands and the narrow plier nose facilitates holding and twisting of wires in hard-to-reach places. They were specifically designed for size 10 AWG,
