The CANTEX EZ BOX® Line

The CANTEX EZ BOX® line offers a complete selection of non-metallic electrical switch, outlet and ceiling boxes in multiple sizes and styles to meet all your new construction and renovation project needs. Whether you need EZ nail-on, single-gang boxes with enhanced angled nails for installation between studs or adjustable EZ BOXES with adjustable brackets for the perfect fit on tile backsplashes, CANTEX has your solution. EZ BOXES are easy to install, long-wearing, and maintenance-free. CANTEX offers almost 100 styles of EZ BOXES in multiple sizes and gang applications to meet all of your new and old work project needs. You can choose from one of our many wall, ceiling or ceiling fan boxes.

CANTEX EZ BOXES are all either ETL or UL listed for use as in Article 314 of the National Electrical code. They are also 2-hour fire-rated when applicable. Plus, the CANTEX EZ Box line is backed by over 60 years of experience manufacturing unrivaled American-made electrical products.
