

DESCRIPTION

The Zuma 1212 is a rugged ADA-compliant recessed mounted step light for use with low voltage or line voltage incandescent lamp sources. The housing is constructed from corrosion-proof injection-molded polycarbonate. Louvered or open face plates are available in injection-molded polycarbonate or die-cast aluminum. All models can be mounted in non-combustible surfaces such as brick, concrete or stone.

SPECIFICATION FEATURES

A ... Material

Recessed mounted housing is constructed from corrosion-proof injection-molded polycarbonate. Housing includes two 1/2" NPS threaded holes for easy through wiring. Face plate is available in corrosion-proof injection-molded poly-carbonate or corrosion-resistant die-cast silicone aluminum.

B ... Finish

Die-cast aluminum face plates are double protected by a chromate conversion undercoating and polyester powdercoat paint finish, surpassing the rigorous demands of the outdoor environment. A variety of standard colors are available. Injection-molded polycarbonate face plates are available in black or white.

C ... Reflector

Specular pebblestone aluminum reflector is standard to provide high lumen output and even illumination.

D ... Gasket

Housing and face plate are sealed with a high temperature silicone o-ring gasket to prevent water intrusion.

E ... Lens

Fixtures that utilize a louvered face plate include a clear tempered glass lens, factory sealed with high temperature adhesive to prevent water intrusion and breakage due to thermal shock. Fixtures that utilize an open face plate include a diffused tempered glass lens.

F ... Hardware

Stainless steel hardware is standard to provide maximum corrosion-resistance.

G ... Socket

INC18: Ceramic socket with 250° C Teflon® coated lead wires and D.C. bayonet base. INC20: Ceramic socket with 250° C Teflon® coated lead wires and D.C. bayonet base.

H ... Electrical

INC18 (12V): Remote 12V transformer required (not included). Available from Lumière as an accessory - see the Accessories & Technical Data section of this catalog for details. INC20 (120V): Operates with 120V line voltage.

I ... Lamp

Lamp(s) included as standard.

J ... Labels & Approvals

UL and cUL listed, standard wet label. Manufactured to ISO 9001-2000 Quality Systems Standard. IBEW union made.

K ... Warranty

Lumière warrants its fixtures against defects in materials & workmanship for three (3) years. Auxiliary equipment such as transformers, ballasts and lamps carry the original manufacturer's warranty.
