

Eaton 1450B-6501

Catalog Number: 1450B-6501

Eaton Fiber Optic Cable, Accessory, Retroreflective, Forward Viewing, 1 mm, Mini, 5 pin, Used with photoelectric sensors, 115V

General specifications

Product Name	Catalog Number
Eaton 50 series photoelectric sensor	1450B-6501
UPC	Product Length/Depth
782113824697	3.19 in
Product Height	Product Width
1.64 in	1.83 in
Product Weight	Warranty
0.4 lb	3 year
Compliances	Certifications
Contact Manufacturer	UL Listed CSA Certified

Type

Accessory

Used with

Used with photoelectric sensors

Enclosure material

Noryl

Connection

Mini

Sensor type

Retroreflective

Input voltage

115 V

Number of pins

5

Operating temperature - max

158 °F

Operating temperature - min

-40 °F

Environmental rating

NEMA 1, NEMA 3, NEMA 4, NEMA 12, NEMA 13
