Descriptions

Description	SCOTCH CABLE JACKET REPAIR TAPE, 2" X 6', BK
extra long description	3M 7000006227 Scotch® Cable Jacket
Features	Scotch® 2234 Tape uses a vulcanized CSM rubber backing that is resistant to abrasion and stays intact even when exposed to various forms of chemical and environmental exposure. The flame-retardant mastic inner layer adheres strongly to heavy-duty cable jackets and seals against moisture to ensure a powerful seal that keeps them safe. This repair tape is suitable for layering over cables used in different industries, including maintenance and repair services, commercial and residential construction, heavy i
