extra long description	3M 7000002299 3M™ E-A-R™ Classic Re
Features	The 3M™ E-A-R™ Classic™ Uncorded Earplugs were the world's first foam earplugs and are still one of the most widely used earplugs today. Slow recovery, low pressure foam fits snugly to create a noise barrier that helps protect hearing from loud sounds. The earplugs are both flame resistant and moisture resistant. Bright yellow color allows supervisors to conduct a quick visual hearing protection compliance check. Recommended applications include chipping, chiseling, drilling, furnace operations, grinding,
