Features	Make sure your electrical lines are locatable with this Scotch® 408 Buried Barricade Tape. Red color-coding and a clear warning message help to keep warn those digging in the area of a potential hazard, and the laminated aluminum foil tape can be picked up on a metal detector, so underground assets won't be lost. Rest easy knowing this tape won't deteriorate under temperature conditions ranging from 0 to 120 degrees F (-18 to 49 degrees C). Each roll contains 1000 ft of the 6-in wide tape, which is APWA Ap
