### Descriptions

Description	DETECT UG"CAUTION BURIED ELECTRIC LINE" RED, 6"
extra long description	IDEAL 42-251 Tape,Ideal,Detectable
Features	Our Detectable Underground Tapes are formulated to resist degradation from acid and alkali found in soils. Tape uses organic and lead-free ink pigments, and has a solid aluminum-foil core construction to protect, locate and identify underground utility installations. Tape meets or exceeds industry standards, including the American Public Works Association (APWA) color code.
