

## Standard Grade CO/ALR Toggle Switches

Single-Pole, 3-Way  
15A, 120V/AC

### FEATURES

- For direct connection to aluminum or copper wire.
- Industrial design cam action mechanism ensures quiet switch action.
- Side wire terminals accept up to #10 AWG solid copper wire, and up to #10 AWG solid aluminum wire.
- Long, broad mounting strap virtually eliminates floating installations.
- Patented built-in wire stripper for #12 and #14 wire to speed installation.
- Terminal screws backed out — ready for wiring.
- Combination Slot/Phillips head mounting and terminal screws ease installation (Slot/Robertson screws in Canada where available).

5221-7
