6000

Smart Dimmer System, Master*

SM600W	600W Single Pole Incandescent / Magnetic Low Voltage with LED Display; No Neutral Required
SM600W-ELV	600W Single Pole Electronic Low Voltage with LED Display; No Neutral Required
SM1000W	1000W Single Pole Incandescent / Magnetic Low Voltage with LED Display; No Neutral Required
SM1000W-ELV	1000W Single Pole Electronic Low Voltage with LED Display; No Neutral Required
SMRW	System Accessory for SM600W, SM600W-ELV, SM100W, SM1000-ELV
SMMKIT	System Color Change Kit for Smart Master Dimmers SM600W, SM600W-ELV, SM100W, SM1000-ELV; includes wallplate
SMRKIT	System Color Change Kit for Smart Master Accessory SMRW; includes wallplate

Decorator Dimmers*

DI06P	600W Single Pole and 3-Way Preset Incandescent / Magnetic Low Voltage
DI10P	1000W Single Pole and 3-Way Preset Incandescent / Magnetic Low Voltage
DE06P	600W Single Pole and 3-Way Preset Electronic Low Voltage

Slide Dimmers*

SI061	600W Single Pole Non-Preset Incandescent
SI06P	600W Single Pole and 3-Way Preset Lighted Incandescent / Magnetic Low Voltage
SI10P	1000W Single Pole and 3-Way Preset Lighted Incandescent / Magnetic Low Voltage

Touch Dimmers*

6460	600W Single Pole Master Gold Touchplate Incandescent
6461	Accessory Gold Touchplate Incandescent
6470	600W Single Pole Master Monochrome Incandescent
6471	1000W Single Pole Master Monochrome Incandescent
6472	Accessory Monochrome Touchplate Incandescent

Rotary Dimmers*

6001	600W Single Pole Non-Preset Incandescent
6013	1000W Single Pole Non-Preset Incandescent
6000	600W Single Pole Preset Incandescent
6020	600W Single Pole Preset Lighted Incandescent
6003	600W 3-Way Preset Incandescent
6023	600W 3-Way Preset Lighted Incandescent
6007	Replacement Knob for Rotary Dimmers 6020, 6023
6009	Replacement Knob for Rotary Dimmers 6000, 6001, and 6003

* For ordering, include Cat. No. followed by the color code: Almond (A); Black (BK); Gray (GY); Ivory (V); Light Almond (LA); White (W). Products may not be available in all colors.
