Descriptions

Description	SCOTCH-BRITE HAND PAD, 6" X 9", MAROON
extra long description	3M 7000000728 Scotch-Brite™ Hand Pa
Features	The performance of Scotch-Brite™ General Purpose Hand Pad 7447 is comparable to steel wool grade 1. However, unlike steel wool, our Scotch-Brite™ pads won't shred during use, rust after use, or create fine metal splinters. The non-woven, open-web material resists loading and can be used dry, with water or solvents, and rinsed clean for reuse. This multipurpose 6 x 9" pad can be used by hand for precise control, with a hand pad block for uniform finishing, or on an in-line sander to cover large areas.This
Long Description	Scotch-Brite™ General Purpose Hand Pad 7447 combines flexibility with effective cutting action and precise hand control to accomplish tough cleaning jobs or produce fine finishing results, use after use. Very fine grade aluminum oxide abrasives cut fast and fine, leaving a smooth, finished surface. Suitable for use on a wide variety of materials and for many different tasks.
