Complete line of wiring devices for industrial & heavy construction environments

Arrow Hart plugs and connectors deliver superior performance in the most demanding environments. From everyday commercial use to heavy-duty industrial applications, Arrow Hart plugs and connectors ensure long lasting, dependable service.

- A variety of grip styles enabling numerous applications
- Easily identified amperage/voltage ratings clearly marked on devices
- Rugged construction to ensure longer service life

Ultra grip

Built with a contemporary flare and oval ergonomic design for a comfortable yet secure feel, ultra grip plug and connectors offer excellent reliability and durability. A dual dovetail design provides superior cord grip retention, and the grommet allows usage across a wide range of cord diameters. Additionally, reversible inserts in the cord grip allow for exceptional clamp force on large diameter cords.

Safety grip

Safety grip plugs and connectors combine durability and fast installation. Featuring dual-range external cord grip, safety grips provides positive cord gripping while limiting strain on conductors. The neoprene gasket seals around the cord for added terminal protection from external elements. The nylon construction is rugged and durable for dependable use.

Quick grip

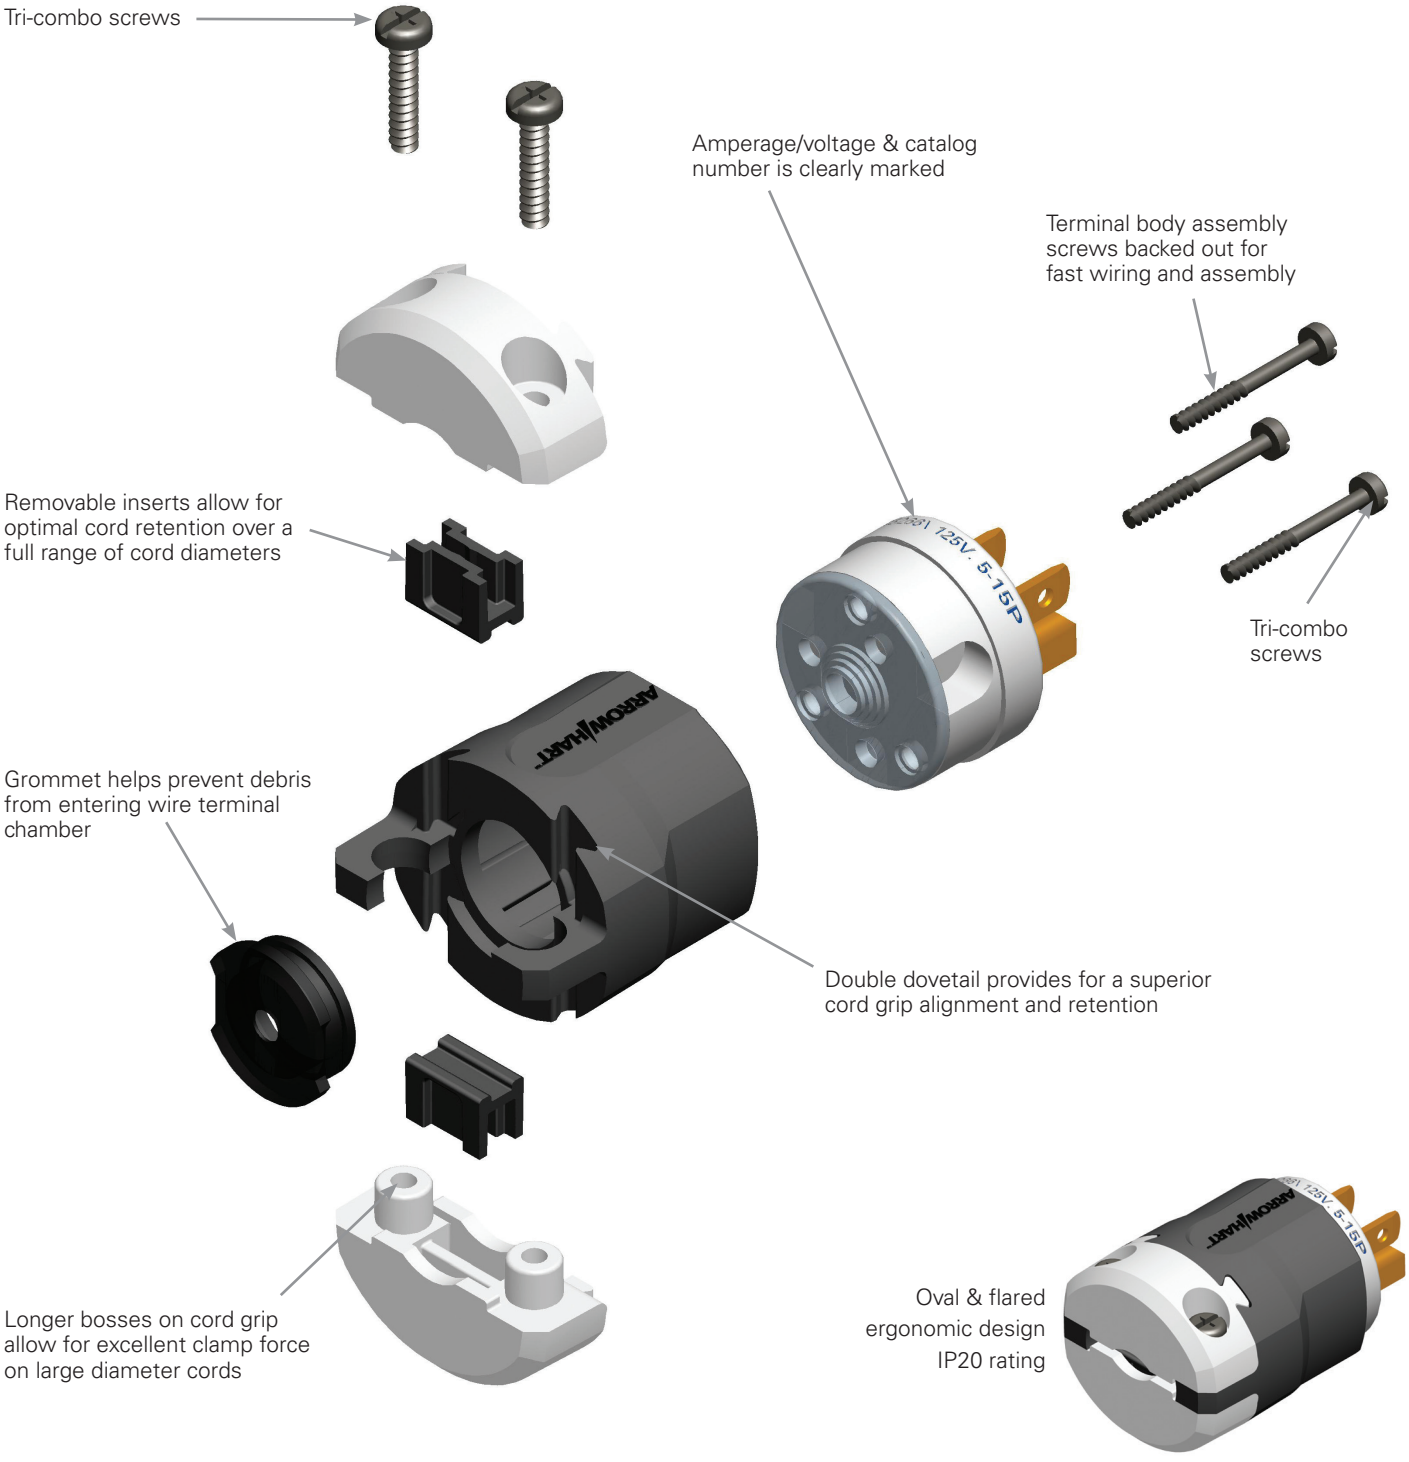

Quick grip plugs and connectors are designed for quick, secure installation and easy, long-lasting use. They feature rugged nylon construction and a roomy wiring chamber for fast and easy installation. Our scalloped ergonomic design provides a comfortable grip during installation and operation.

Arrow Hart industrial grade straight blade plugs & connectors

Rugged, quality locking devices for any application

Superior design and performance make Arrow Hart's hart lock devices the ideal choice for industrial applications. Available in a wide range of NEMA and Non-NEMA configurations

Arrow Hart industrial grade locking devices

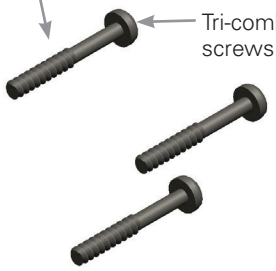

Ultra grip locking plugs & connectors redesign features & benefits

Tri-combo screws

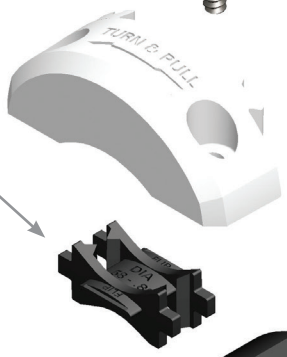

Terminal body assembly screws backed out for fast wiring and assembly

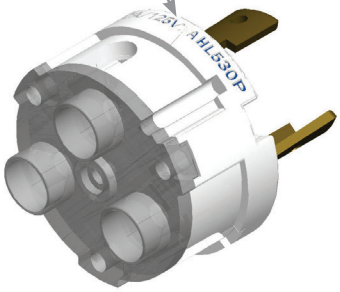

Tri-combo screws

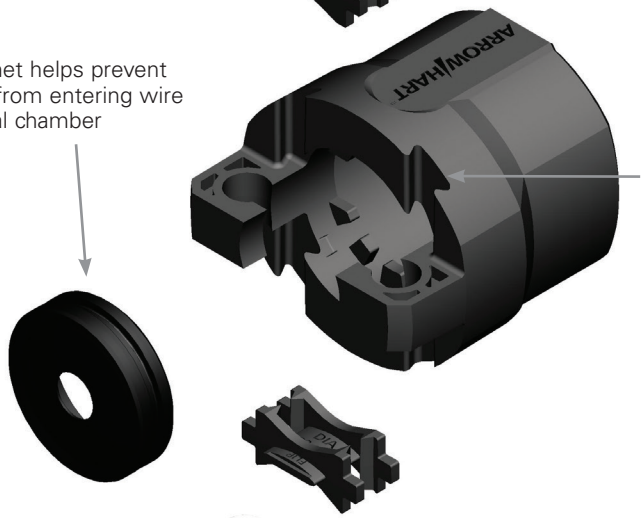

Reversible inserts allow for minimal gap and consistent look and grip regardless of cable size

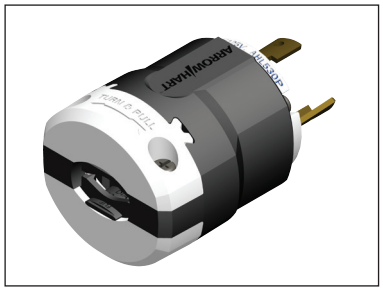

Amperage/voltage & catalog number clearly marked

Grommet helps prevent debris from entering wire terminal chamber

Double dovetail provides for superior cord grip alignment and retention

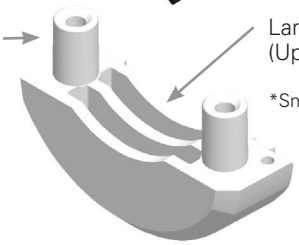

Oval & flared ergonomic design
IP20 rating

Longer bosses on cord grip allow for excellent clamp force on large diameter cords

Large cord range*
(Up to 1.16")

*Small body or 3-W devices have cord range up to 1.00"

Receptacles
The amperage/voltage can now be found directly printed on many single receptacles.

Compliances, specifications and availability are subject to change without notice.

Complete line of wiring devices for industrial & heavy construction environments

Arrow Hart plugs and connectors deliver superior performance in the most demanding environments. From everyday commercial use to heavy-duty industrial applications, Arrow Hart plugs and connectors ensure long lasting, dependable service.

- A variety of grip styles enabling numerous applications
- Easily identified amperage/voltage ratings clearly marked on devices
- Rugged construction to ensure longer service life

Ultra grip

Built with a contemporary flare and oval ergonomic design for a comfortable yet secure feel, ultra grip plug and connectors offer excellent reliability and durability. A dual dovetail design provides superior cord grip retention, and the grommet allows usage across a wide range of cord diameters. Additionally, reversible inserts in the cord grip allow for exceptional clamp force on large diameter cords.

Safety grip

Safety grip plugs and connectors combine durability and fast installation. Featuring dual-range external cord grip, safety grips provides positive cord gripping while limiting strain on conductors. The neoprene gasket seals around the cord for added terminal protection from external elements. The nylon construction is rugged and durable for dependable use.

Quick grip

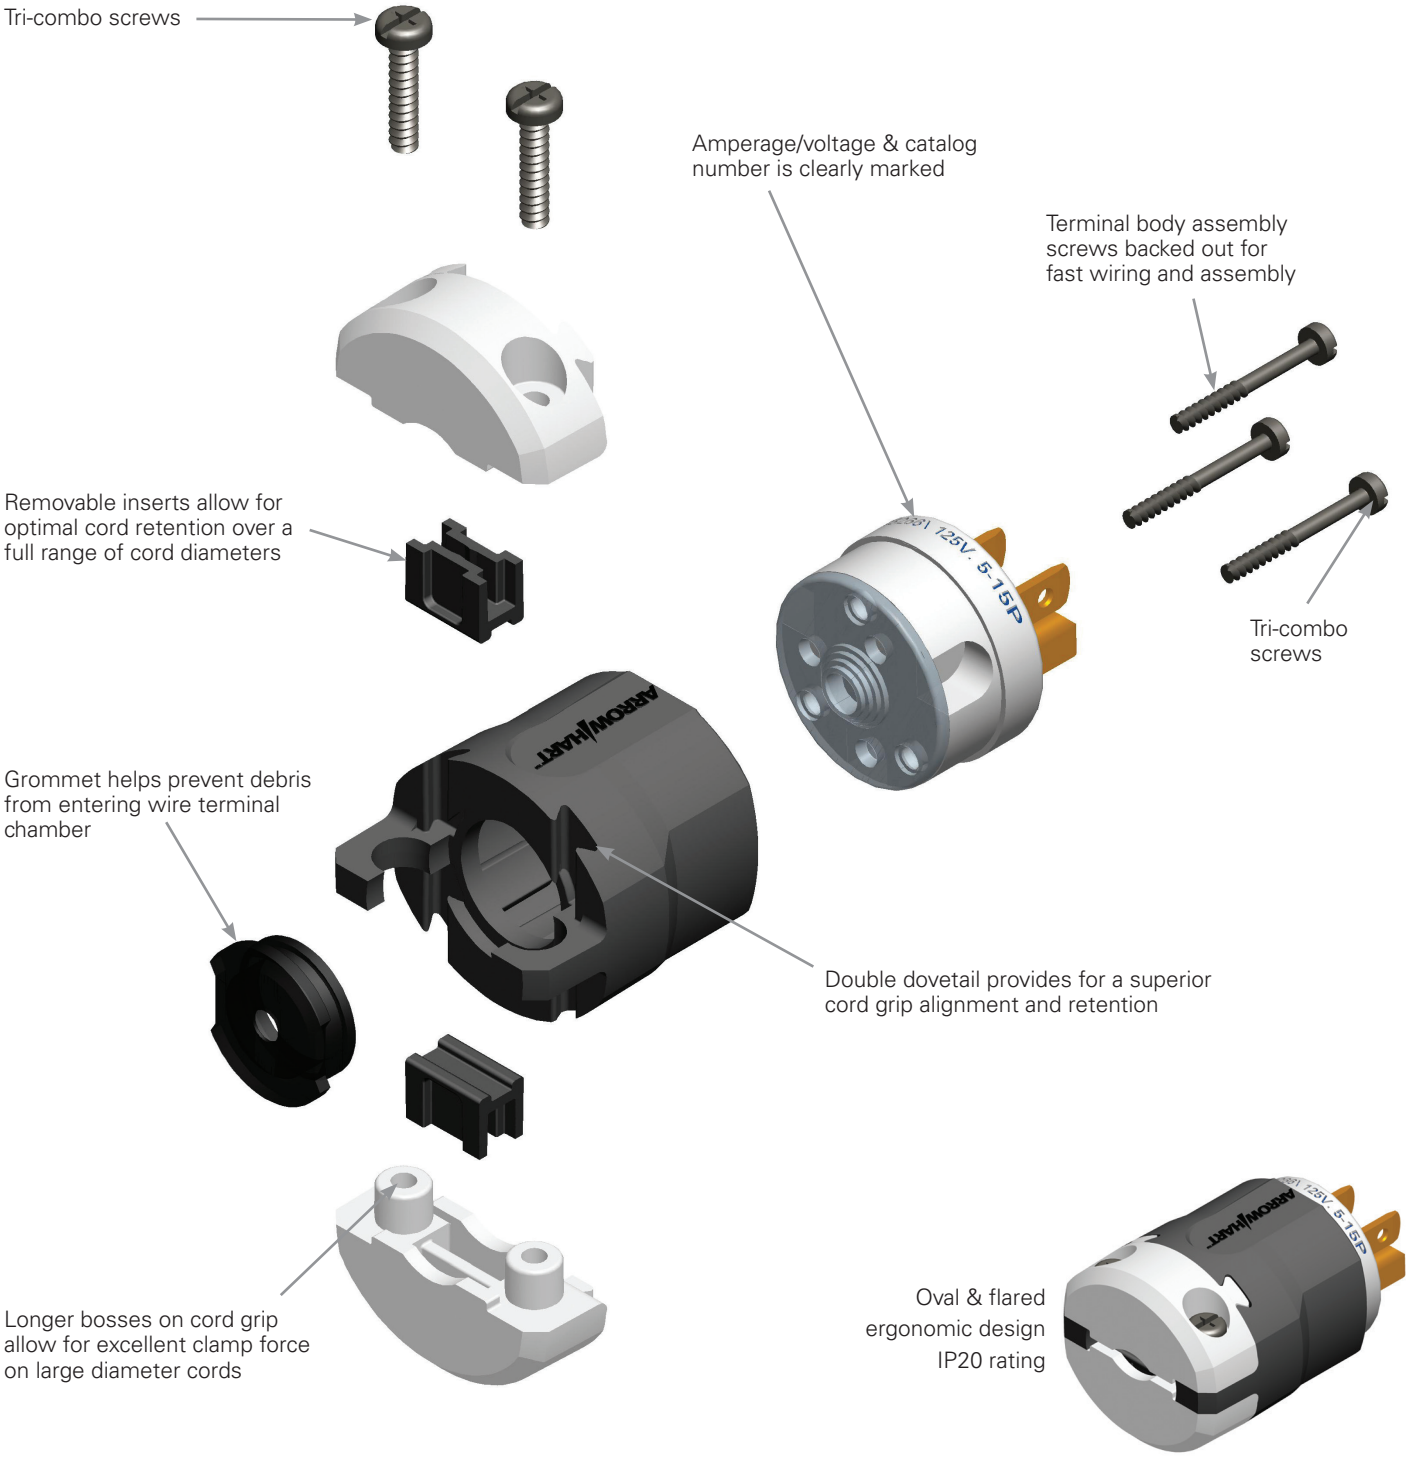

Quick grip plugs and connectors are designed for quick, secure installation and easy, long-lasting use. They feature rugged nylon construction and a roomy wiring chamber for fast and easy installation. Our scalloped ergonomic design provides a comfortable grip during installation and operation.

Arrow Hart industrial grade straight blade plugs & connectors

Rugged, quality locking devices for any application

Superior design and performance make Arrow Hart's hart lock devices the ideal choice for industrial applications. Available in a wide range of NEMA and Non-NEMA configurations

Arrow Hart industrial grade locking devices

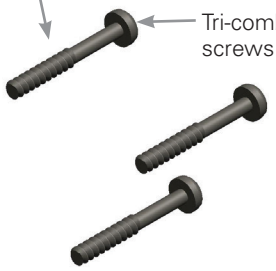

Ultra grip locking plugs & connectors redesign features & benefits

Tri-combo screws

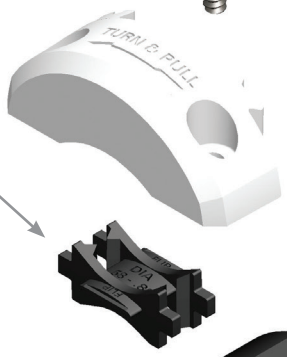

Terminal body assembly screws backed out for fast wiring and assembly

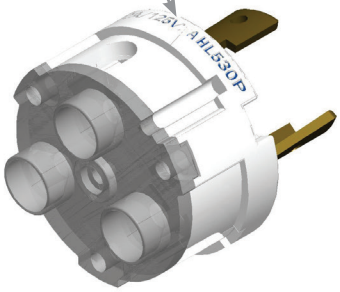

Tri-combo screws

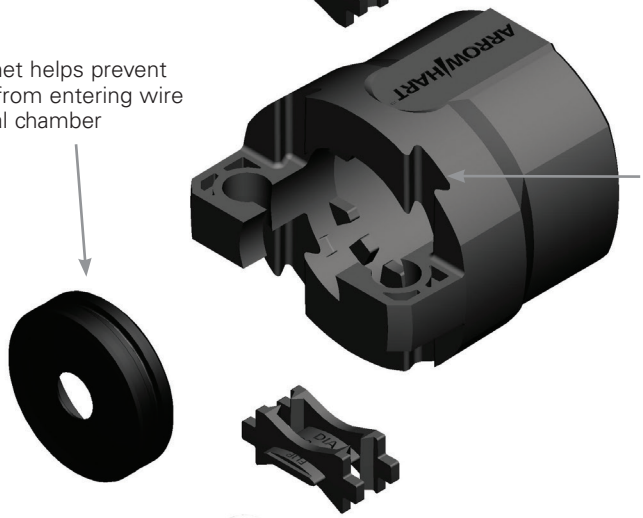

Reversible inserts allow for minimal gap and consistent look and grip regardless of cable size

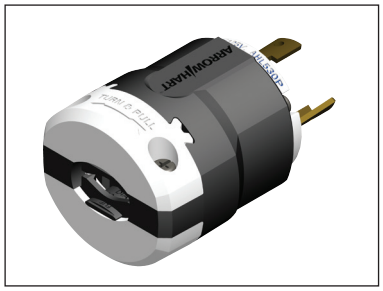

Amperage/voltage & catalog number clearly marked

Grommet helps prevent debris from entering wire terminal chamber

Double dovetail provides for superior cord grip alignment and retention

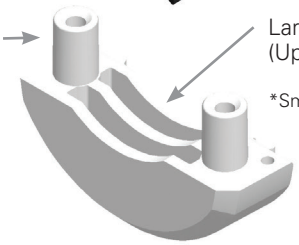

Oval & flared ergonomic design
IP20 rating

Longer bosses on cord grip allow for excellent clamp force on large diameter cords

Large cord range*
(Up to 1.16")

*Small body or 3-W devices have cord range up to 1.00"

Receptacles
The amperage/voltage can now be found directly printed on many single receptacles.

Compliances, specifications and availability are subject to change without notice.
