

adore Collection  
adore® Gloss White-on-White 2-Gang Screwless Wall Plate with Microban®  
Part No. AWP2GWHW10

Ideal for all-white projects wanting a look that is bright and clean, with a hint of added sheen. Made exclusively for use with designer switches and outlets from the adore® Collection. This wall plate\* features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product. \* Existing inventory of switches, dimmers and plastic wall plates from the adore® Collection at some partner locations may not yet include Microban® protection. To confirm that a specific Legrand product is protected with Microban®, check that the exterior of the product packaging includes a green dot or a "Protected with Microban" label. No antimicrobial efficacy claims are being made or are valid with respect to products sold in Canada.

## Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology.

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology

Made to exclusively fit the designer switches, dimmers and outlets from the adore® Collection, snapping into place with ease.

Coordinate with other designer switches and outlets throughout your home for a cohesive, contemporary look.

Includes one Wall Plate and one Steel Frame for mounting the wall plate.

A perfect finishing touch for any space, adding a sleek and contemporary aesthetic through its screwless design and low-profile.

Other Wall Plates from the adore® Collection are available in extensive range of on-trend colors, materials and cast metals.

## Specifications
