Specialty Clamp Meters

200A AC Fork Meter

- Open jaw conveniently measures 1/0 wire and AC currents up to 200A. Cat. No. CL3200 measures 3/0 wire.
- Backlit display is readable even in dark locations.
- Relative reading feature automatically calculates the difference between the live measurement and a previously stored measurement.

200A AC Hook Meter

- Unique hook-style current clamp fits into tight spaces and measures 1/0 wire.
- Automatically selects voltage or current based on what is being measured. No manual switching between current and voltage required.
- Bright white LED worklight illuminates any workspace.
