## Rectangular Floor Boxes

1-, 2- and 3-Gang

Features

- Covers require no adjusting collar. Two screws assure a flush, secure installation.
- Nonmetallic PVC construction, watertight gasket and corrosion-resistant hardware assure long life and reliable performance even in harsh and/or corrosive environments
- One consistent box depth simplifies ordering time and reduces inventory
- Saves time and money on installations with simple saw cut to floor level
- Concrete tight and suitable for any on grade/below grade application; concrete or wood sub-floor construction approved
- Convenient cubic inch capacity markings on inside allow for easy inspection
- PVC molded hubs and reducer plugs included
- Accepts 1/2 in., 3/4 in. and 1 in. conduit tubing or raceway
- Rectangular sides are drillable
- For tile and carpet applications
- Cover options include solid brass, stainless steel and nonmetallic (brown, slate and caramel)
- UL scrub water tested, approved for all types of finished flooring

Carlon® Rectangular Floor Box Systems – two-way, data and communications plus easy double or triple ganging, too.

Two-in-one data and communications capability cuts installation time and cost even more, while simple two- and three-gang modularity gives you the flexibility, installation ease and cost-savings no other nonmetallic boxes can.

The covers attach without the use of fasteners, providing a professional, clean installation as well as preserving the aesthetic look of the product. Take a close look at what our rectangular floor box systems can offer you.
