Height	4-1/4
Hub Size	
Length	
Width	3-1/2
Descriptions	
Description	1-1/4" LBD MOG COND BODY
extra long description	
Features	Crouse-Hinds series mogul bodies are installed in conduit systems to act as pull outlets for conductors that are stiff due to large size or type of insulation. Mogul bodies provide longer openings needed when pulling large conductors and prevent sharp bends and kinks during installation. Mogul conduit bodies are manufactured in trade sizes 1/2" to 6" and are available in Feraloy iron alloy and copper-free aluminum. Our iron alloy bodies are available with a hot dip galvanized finish for added corrosion
Long Description	Eaton Crouse-Hinds series Condulet LBD mogul conduit body, Feraloy iron alloy, 1-1/4"
Product Type	1 1/4 Iron Mogul Outlet Body 90 Deg
Special Features	With Cover and Neoprene Gasket
