| Manufacturer     | Nsi Industries                                                                                                                                                                                                                                                                                                                                                   |
| Description      | Split Bolt Connector, #2 Awg (Range Of Equal Main and Tap-Solid) Conductor Size, 2/0 Awg (Range Of Equal Main and Tap-Stranded);#14 Awg (Minimum Tap With One Maximum Main-Stranded) Conductor Size, Non-Insulated, Copper;Copperweld Conductor Material, 2 Conductors, +90 °C Operating Temperature, 1.574 In Overall Length, Split Terminal, 600 V, 0.28 LB/Ea |
| Weight per unit  | 0.2800 (lbs/each)                                                                                                                                                                                                                                                                                                                                                |
| Product Category | Large Terminals & Connectors                                                                                                                                                                                                                                                                                                                                     |

### Features

|                      |                 |
|----------------------|-----------------|
| Material             | Copper          |
| Number of Conductors | 2               |
| Poles                | 1               |
| Voltage Rating       | 600 V           |
| Warranty             | 1 YEAR          |
| Wire Size            | 2 SOL - 2/0 STR |
| Wire Type            | Class A & B     |

### Material, Color, and Finish

|        |        |
|--------|--------|
| Color  | Copper |
| Finish | COPPER |

### Dimensions and Weight

|      |                  |
|------|------------------|
| Size | L=1.574 - W=.866 |
|------|------------------|

### Descriptions

|                        |                                                                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description            | 2/0 CU SPLIT BOLT                                                                                                                                                                                            |
| extra long description | NSI N-2/0 Split Bolt Copper 2/0                                                                                                                                                                              |
| Features               | Copper Split Bolt Connector 2/0 AWG Copper Split Bolt Connectors are high-strength solderless service connectors made of high-copper alloy for copper and copperweld wires. Type for two maximum wire sizes. |

## Taxonomies, Classifications, and Categories

Category Description ..... SPLIT BOLTS

Type ..... Copper Split Bolts

## Packaging

Carton ..... 1

Package ..... 15

Weight Per each ..... 0.28

## Uses, Certifications, and Standards

Application ..... Wire Termination

environmental conditions ..... 90 C

standard ..... UL486B

Temperature Rating ..... 90 C
