Descriptions

Description	CASETA REPEATER
extra long description	LUT PD-REP-WH Cas ta Repeater/Range
Features	With the Caseta Smart Wireless Repeater by Lutron, you can now extend the range of your Caseta system up to 60 ft. Use the included power adapter to plug the repeater into an outlet within 60 ft. of your Caseta smart hub in room where coverage can be problematic - no extra ethernet connection required. This is ideal for homes that need extra range due to unique layouts, smart hubs that are not centrally located, or dense, concrete, or cement walls.
Long Description	Lutron Caseta Smart Wireless Repeater/Range Extender, White
Product Type	Cas Ta Repeater/Range Extender
Special Features	Expands RF range. Easily adds to an existing system through the Caséta App1 or system software . Can add one wireless repeater per system. Works with Caséta Wireless systems only
