

The 66 Block and Bracket is a 50-pair, unwired block designed for efficient and organized telephone and data wiring. This versatile block comes with a mounting bracket, making it easy to install and secure in your structured wiring setup.

## Features & Benefits

---

66 Block and Bracket

## Specifications

---

### General Info

---

Product Line	On-Q	UPC Number	785007042320
Country Of Origin	Taiwan, Province Of China	Application Sector	Residential
Standard	RoHS		

---

### Dimensions

---

Product Width US	3.75 in	Product Height US	3.66 in
Product Length US	11.25 in		

---

### Additional Information

---

RoHS Compliant	Yes
----------------	-----

---

### Technical Information

---

Compatibility	Universal	Cable Specification	66 Block
---------------	-----------	---------------------	----------
