Long Description	PlugTail Registered Heavy-Duty Compact Design Hospital-Grade Duplex Receptacle PlugTail Registered devices and connectors mean that device installation is the same regardless of skill level of the installer. The UL-Listed connectors are keyed to ensure proper wiring installation into each receptacle.
Product Type	PT HG Compact Design Recept 20A/125V La
Special Features	Factory-terminated devices and connectors mean that device installation is the same regardless of skill level of the installer. The UL-Listed connectors are keyed to ensure proper wiring installation into each hospital-grade receptacle. The connector simply snaps into the back of the device—no fussing with wires, stripping or tightening screws. PlugTail devices are finger safe with no exposed terminals, so taping is not required. Now installation is a snap! PlugTail...The toughest and safest hospital
