

# Network Wiring Connectivity Innovate™ Products & Frames & Wall Plates

## Innovate™ Products

Smooth, polished look fits any décor and matches traditional wiring device wall plates. Modules feature a front-mount, click-in design that remove easily for quick reconfiguration. Built strong to stand up to repeated installations and removals. Virtually unbreakable TradeMaster® Datacom Wall Plates provide better coverage with an extra 3/16" width and height than standard wall plates to reduce time-consuming drywall rework.
