extra long description	3M 7000031502 3M™ ScotchCode™ Wire
Features	Rely on the durability of this 3M™ ScotchCode™ SLW Write-On Dispenser. It's constructed from sturdy plastic to protect the die-cut adhesive markers. The refillable dispenser comes with a roll of tape that has a pressure-sensitive adhesive made from acrylic, which adheres easily to many surfaces to provide a lasting label. A transparent vinyl film protects writing on the tape while allowing easy identification of specific wires and cables on a variety of electrical projects. Around the house, you'll find a
