†For use as extension with switch box, not four square box. See page 181 for 4" steel square covers.

# Steel Masonry Boxes

## GANGABLE MASONRY BOXES

### UL LISTED

#### Features:

- The gangable feature allows the option of creating a multiple gang box from a single gang box by simply removing the combo head screw holding the side with a #2 bit and connecting the two (or more) boxes together re-using the screws
- Non-metallic partitions (ordered separately) install quickly and easily without tools in multi-gang boxes and are used to separate power and control circuits within the same box, as required by the National Electrical Code®
