Descriptions

Description	SURGE RECP TR 20A 125V LED GY
extra long description	EWD TR5360GYS SURGE RECP TR 20A 125
Features	Ideal for protecting sensitive electronic equipment, Eaton's Arrow Hart point-of-use receptacles provide branch circuit surge protection that panel-mounted devices alone cannot. Advanced diagnostic features include LED indicators to verify surge protection and ground wiring. Certain models are available with audible alarm signaling when surge protection has expired. These receptacles are also available in hospital and commercial grades with isolated ground versions.
