On-Q

Cat 5e RJ45 Keystone Coupler, White

Part No. WP3451WH

The Cat 5e RJ45 Keystone Coupler in white is designed to couple two high-speed network cables seamlessly. This female-to-female coupler meets the EIA/TIA 568A Category 5e specifications, ensuring superior gigabit performance without the need for punch-down termination. Ideal for extending network connections, it provides a reliable and efficient solution for your networking needs.

Features & Benefits

Provides superior gigabit performance without punch-down termination

Specifications

General Info

Product Line	On-Q	Color	White
UPC Number	804428028796	Country Of Origin	Taiwan, Province Of China
Application Sector	Residential	Standard	CSA, cULus, RoHS, ANSI/UL 1863, Flame-Retardant Plastic UL 94V-0

Dimensions

Product Width US	0.67 in	Product Height US	0.87 in
Product Length US	1.2 in		

Technical Information

Termination Style	Coupler	Cable Type	Cat5e
Environmental Conditions	0 to 93% (relative humidity, non-condensing)
