Descriptions

Description	NON-HAZ LED WALLPACK 7000
extra long description	CRS-H WPMV7L-UNV1 NON-HAZ LED WALLP
Features	The Crouse-Hinds series Champ WPMV is uniquely engineered to provide a low profile wall pack solution for hazardous lighting applications. It's the ideal choice for vertical surface lighting where conditions require high quality, reliable illumination. Champ WPMV LED wall packs are engineered to provide maintenance-free illumination, long life and high performance in extreme conditions. It is available from 3,000 to 7,000 lumens and is designed for harsh and heavy industrial applications.
